About Us

M/s K C Nath Resources & Co, a distinguished group based in Dolipur (Jhatiasahi), Jajpur Road, Dist: Jajpur. Established in 2008 by the visionary Mr. K C Nath, our journey began with a commitment to excellence and a passion for delivering unparalleled services to various industries.

As a trusted Service Provider, we have been dedicated to serving diverse sectors, including Steel, Power, Ports, and Railways, for over 15 years. Our comprehensive range of services encompasses Job Contracts, Annual Maintenance Contracts (O & M), fabrication and erection works, as well as vehicle and Heavy Equipment management. At the heart of our success is a team of experienced technical professionals whose expertise is harnessed to deliver top-notch solutions in each of these domains.

At M/s K C Nath Resources & Co., we believe in continuous improvement, innovation, and building enduring relationships. Our commitment to excellence, coupled with our skilled workforce and robust project management capabilities, positions us as a preferred partner for all your industrial service needs.

Our Vision

M/s K C Nath Resources & Co.'s vision is not just a roadmap for success in industrial services; it's a commitment to excellence, innovation, and positive societal impact. As we navigate the path forward, our vision guides us to lead by example, shaping the future of the industrial service sector.

Our Mission

1

Excellence in Service Delivery: Our primary mission is to consistently provide exceptional industrial services to our clients in the Steel, Power, Ports, and Railways sectors. We strive for excellence in every aspect of our operations, ensuring the highest quality standards and exceeding client expectations.

2

Technical Expertise and Innovation: We are committed to maintaining a team of highly skilled and experienced technical professionals.

Client Satisfaction and Relationship Building: Our mission includes building enduring relationships with our clients by prioritizing their needs, understanding their challenges, and delivering tailored solutions.

3

Environmental Sustainability: As part of our social responsibility, we are dedicated to conducting our business with a strong focus on environmental sustainability. Our mission involves implementing eco-friendly practices, minimizing our ecological footprint, and contributing positively to the communities and environments where we operate.

Our Value

Integrity: We uphold the highest standards of honesty, transparency, and ethical conduct in all our interactions. Integrity is the foundation of our relationships with clients, employees, and stakeholders, and we are committed to doing business with unwavering integrity.

Client-Centric Approach: Our clients are at the center of everything we do. We are committed to understanding their unique needs, providing customized solutions, and ensuring their satisfaction. Our client-centric approach involves building strong relationships, anticipating needs, and delivering value beyond expectations.

Excellence: We are dedicated to achieving excellence in everything we do. From service delivery to client interactions and internal operations, we set high standards for ourselves and continuously strive to surpass them. Excellence is not just a goal; it is a mindset embedded in our organizational culture.

Our core values guide us with unwavering integrity, a commitment to excellence, and a client-centric focus. We foster innovation and collaboration within our diverse team, prioritize environmental responsibility, invest in employee development, and actively engage in community initiatives. These values define our culture, ensuring sustained success and positive societal impact.

Our Team

Our team at M/s K C Nath Resources & Co. is a dynamic and dedicated group of professionals committed to excellence. With diverse expertise in the industrial service sector, our team collaborates seamlessly to deliver high-quality solutions. We prioritize continuous learning, innovation, and a client-centric approach, ensuring the success of every project we undertake. Together, we form a cohesive unit that embraces challenges, values integrity, and contributes to the collective growth of our organization.

WORK EXPERIENCE

01

Tata Steel Limited: Gamharia

Equipment Fabrication work at TGS, Gamharia, started in Nov 2017, targeting 350MT/month. Current month's goal is 345MT, with 90 technical hands. The contract, valued at Rs 10.62 Cr, extends from FY2021-22 to FY2023-24.

02

Tata Project Limited: Noamundi

Structural erection: 12500 MT Structural work from Sept'22. Value of work is 14.37 Cr and manpower engaged 250 person.

03

Tata Project Limited: Noamundi

Equipment Erection: 3500 MT Equipment's Like Barrel reclaimer with Twin Boom Stacker, Scrubber, Crusher, SILO's, Product SCREENwork from Sept'22. Value of work is 4.51 Cr and manpower engaged 75 person.

04

Visa Steel Limited

Operation & Maintenance work Ferrochrome Plant Complex-1 (Furnace SAF1 & SAF2, 16.5 MVA each) with Briquette Plant and Metal Recovery Plant Unit continues, targeting 60,000 MT/year. Contract value is Rs 10.06 Cr/year, ongoing from FY 2020, with a manpower strength of 450.

05

Govt. of Odisha (OMC LTD)

Operation & Maintenance work at OMC Limited's Ferrochrome Plant (9 MVA and 6.5 MVA Furnace) with Briquette Plant and MRP Unit persists, targeting 1400 MT/month. The contract, valued at Rs 11.29 Cr, extends through FY2023-24 with approximately 250 manpower

WORK EXPERIENCE

06

Idcol Ferro Chrome & Alloys Plant(1)

Successful completion of the Annual Operation & Maintenance of Metal Recovery Plant, MRP-1, at Idcol Ferro Chrome & Alloys Plant, Jajpur Road, targeting 2500 MT/month. Approx contract value Rs 1.48 Cr for FY2021-22.

07

Idcol Ferro Chrome & Alloys Plant(2)

Annual Operation & Maintenance of Metal Recovery Plant, MRP-2, at Idcol Ferro Chrome & Alloys Plant, Jajpur Road, targeting 3000 MT/month. Approx. contract value Rs 5.49 Cr for FY2021-22, FY22-23.

08

ESSAR Construction India Ltd

Ongoing SMS Structural Fabrication and Erection of 7000 MT at JSL-Jajpur under ESSAR Construction India Ltd. Total manpower strength is 130. Approx contract value Rs 12.54 Cr, continuing for FY23-24.

09

East Coast Railway

Continuous supply of Commercial Hiring Vehicles for ECoR's Construction department at Jajpur Road from July 2018 to date. Approx contract value Rs. 43.67 Lakhs, during FY2021-22.

10

Visa Steel Limited, Kalinganagar, Jajpur

1. Managed the Annual Operation & Maintenance contract for Raw Material Handling System and Dust Suppression System at VISA Steel Ltd's DRI Plant from 2010-2014, overseeing various equipment.
2. Executed the erection of Belt Conveyors and structural equipment for the Raw Material Handling System in the DRI Plant, collaborating with M/S Hajee A.P Bava & Co.
3. Successfully handled the erection, installation, and commissioning of the Dust Suppression System at the RMHS of the DRI Plant in collaboration with M/S Chemtrols Samil India Pvt. Ltd.
4. Contributed to the erection, installation, and commissioning of the CFBC (Circulating Fluidized Bed Combustion) and RMHS at the DRI Plant, working with M/S Masyc Projects Pvt. Ltd.

WORK EXPERIENCE

At Tata Steel Limited, KPO

11

1. Completed structural erection of approximately 900MT at RMHS under M/S Zillion Infra Pvt. Ltd.
2. Accomplished structural erection of about 1500MT at RMHS under M/S Gayatri Project Ltd.
3. Executed technological structure and equipment erection, alignment, and commissioning of around 500MT at LSC-3, SC-4, and LC1&2 under M/S TRF Ltd.
4. Contributed to the equipment erection, alignment, and commissioning of around 800MT, along with balancing work for the commissioning and handover of the CDQ Plant under M/S ESSAR Projects Ltd.
5. Conducted balance structural fabrication and erection work at SMS, HSM, BF, and CDQ at Tata Steel Ltd, deploying skilled and high-skilled mechanical manpower.
6. Undertook the fabrication and erection of handrail work inside all electrical tunnels at KPO premises, Tata Steel Ltd.

Usha Martyn Pvt. Ltd, Jamshedpur

12

1. Exquisite craftsmanship unfolded in the erection of the Material Handling System, breathing life into the extension of DRI Plant II & DRI Plant III, and the Sinter Plant. This artistry was orchestrated under the skilled hands of M/s Supriya Construction, a sister concern of the illustrious M/S Vinar Systems Pvt. Ltd.
2. A symphony of precision echoed in the fabrication and erection of conveyors, equipment, and delicate structures. This symphony graced the extension of DRI Plant II and DRI Plant III at Usha Martin, Jamshedpur, curated by the mastery of M/S Vinar Systems Pvt. Ltd.

Summary

The comprehensive report encapsulates a spectrum of pivotal tasks undertaken:

(i) Meticulous oversight of the Ferro Chrome Unit's overall Operation and Maintenance, encompassing both Mechanical and Electrical facets.

(ii) Accomplished Structural Fabrication and Erection of robust Steel Structures, demonstrating finesse in engineering.

(iii) Proficiently executed Equipment Erection and Commissioning, ensuring seamless integration into operational frameworks.

(iv) Contributed significantly by providing a skilled workforce for Annual Job Contracts, covering Operation and Maintenance of diverse units within the Steel Industries. Also extended expertise in Structural Shed Maintenance.

(v) Facilitated operational efficiency by supplying Heavy Equipment for Hiring purposes, including Hydra, F15, FX-230 crane, TRX-2319 (23 MT) crane, tailoring offerings to the specific needs and requirements of the client.

Operation and Maintenance of Ferro Chrome Unit, covering Mechanical and Electrical aspects

Structural Fabrication and Erection of robust Steel Structures

Equipment Erection and Commissioning for seamless integration.

What we do?

Supply of Skilled Manpower for Annual Job Contracts in Steel Industries and Structural Shed Maintenance.

Provision of Heavy Equipment for Hiring, including Hydra, F15, FX-230 crane, and TRX-2319 (23 MT) crane, tailored to client needs.

Work with Us

In the ever-evolving landscape of industrial services, our vision is rooted in the belief that success is not just measured by numbers but by the positive impact we create. We envision a future where M/s K C Nath Resources & Co. stands as a beacon of excellence, setting new benchmarks in the field.

At the core of our vision is a commitment to consistently deliver high-quality solutions that surpass industry standards. We aim to be the go-to partner for businesses in the Steel, Power, Ports, and Railways sectors, leveraging our technical expertise to address the unique challenges of each industry. By doing so, we seek not only to meet but exceed the expectations of our clients, fostering long-lasting relationships built on trust and reliability.
